Dear Scott:

A most sincere message of thanks and appreciation is extended to you for your contribution in making the 1993 National Wellness Conference an exceptionally rewarding experience for all those in attendance. The 18th Annual National Wellness Conference was a tremendous success, hosting a record 1,417 participants, representing each of the 50 states and 8 foreign countries.

It is the energy, experience, and spirit of the presenters that sets the stage for a week of learning, growth, and enrichment. Because of your efforts, the National Wellness Conference continues a tradition of providing effective, high-quality, personal and professional development programming for conference participants.

We thank you and look forward to working with you again.

Sincerely,

Jill Pagel  
Director of Conferences
