Dear Dr. Donkin:

Thank you for lecturing in the Connecticut Occupational Health Phase II #8 seminar on October 19-20, 1996. Overall your evaluations were excellent, and several doctors commented on how much they learned from your presentation. We hope you will find the evaluation comments helpful.

Enclosed you will find a summary of your evaluations. We have included an evaluation with averages of the numerical ratings, and a list of participant comments. If you have any questions or comments, or any recommendations for revision of the evaluation form, please feel free to call.

Sincerely,

Sharon Luhring, MS  
Director, Postgraduate and Continuing Education
